GPS Vendor Portal

IMPORTANT NOTICE

TO: Deloitte's GPS Practice Vendors

As part of our due diligence to pre-qualify vendors for potential award of subcontracts/Purchase Orders under US GPS Contracts, Deloitte GPS must gather information about its vendors to assess responsibility and eligibility for award. To accomplish this, we require Deloitte GPS vendors to complete the Prospective Vendor Questionnaire (PVQ).

Any vendor who desires to be considered for award must complete a PVQ within Deloitte's GPS Vendor Portal. Completion of the PVQ does not constitute approval of a company as a Deloitte GPS vendor, nor does it obligate Deloitte GPS to solicit requests for proposal/quotation. Deloitte GPS will use the information provided within the PVQ to evaluate and match a company to potential work as a Deloitte GPS vendor. If a subcontract agreement is fully executed, the vendor will receive a Purchase Order (PO). After receipt of the PO, a vendor will be able to submit an invoice pursuant to the terms and conditions of the subcontract agreement. All electronic communication from the Deloitte GPS Vendor Portal will only come from email addresses which contain the "@deloitte.com" domain.

Please note that in accordance with 15 U.S.C. 645 (d), any person who misrepresents a company's status as a small business concern in order to obtain a contract to be awarded under the preference programs established pursuant to sections 8(a), 8(d), 9, or 15 of the Small Business Act or any other provisions of Federal Law that specifically references section 8(d) for a definition of program eligibility, shall (1) be punished by imposition of a fine, imprisonment, or both; (2) be subject to administrative remedies, including suspension and debarment; and (3) be ineligible for participation in programs under the authority of the Act.
